

## ADMISSIONS AND FEES

---

Harmony Neighbourhood Nursery is registered under the Children Act 2006, Charity Commission and is a company limited by guarantee run by a management committee.

The aim is to offer affordable quality education and childcare and education to support working or studying carers, also to enable carers to seek employment or study.

The nursery operates an admission policy:

- i) Priority is given to full time working parents residing in the targeted wards\* in Hammersmith & Fulham
- ii) Priority is given to people returning to full time work or study
- iii) Working families residing in Hammersmith & Fulham
- iv) Places which are paid for by Social Services/Early Years Service for residents in the local area
- v) Families residing outside Hammersmith & Fulham but **working** in the targeted wards
- vi) Families working and residing in the surrounding boroughs.

All places will be allocated on an equal opportunity's basis bearing in mind a balanced intake and according to the specific vacancies in either the baby or toddler units.

The management reserves the right to amend the criteria as may be necessary at any AGM.

An enrolment list rather than a waiting list is kept; this means that length of time on the waiting list will not necessarily give your child priority.

\* The Targeted Wards are Addison, Broadway, College Park and Old Oak, Conningham, White City, Shepherds Bush and Wormholt.
